

Fire Training Announcement

Moreno Valley Fire Dept and **Eagle Nest Fire Dept** will be hosting a water tender shuttle training. This training will give participants practice in setting up water shuttle fill sites in a rural setting. The participants will move their tenders to the tank farm. The participants will learn the mechanics of a tank farm operation. *Breakfast Burritos will be furnished in the morning!*

Date: Saturday, August 29, 2009.

Times: 7:00 until 17:00

Location: Moreno Valley FD Val Verde Station on Hwy 64

Prereq: None

Nominations: Not required.

Participation: Training coordinator will need to know how many people and the number of tenders that will participate, please RVSP by Thursday, August 20.

Coordinator: Robert Coss
